

ORDER GUIDE

If you can imagine it, there's an excellent chance we can make it. Below is basic pricing information and many common customization options. It's impossible to list every option, so feel free to request anything.

GOLD PACKAGE (\$550)

Hand bound high quality 8" x 10" book with your car type/year + VIN embossed on the cover.

Upgrade Options

- Base price assumes you provide scans of your documentation and photos for our team to do layout/design. \$125 charge if you'd like to ship your material for us to scan (up to 50 pages). Additional pages = \$150 per 1-10 pages. Includes return shipping of your scanned material.
- \$100 for a handsome slipcase and cloth drawstring bag. See photo below.
- \$450 for a video screen on the inside cover. See photo below.
- We can help you source additional documentation via three levels of research:
 1. Our staff can do a targeted web search to find content on your car for a fee of \$50.
 2. We have expert partners who offer a much deeper level of historical research. Ask us for pricing.
 3. Our pedigreed outside expert partners can visit your car and write a valuable historical analysis about your car. Ask us for pricing.
- Extra copies are discounted.
